INTRODUCTION

We have the pleasure to introduce ourselves as ABU USRA TRADING & CONT. CO. LLC. We are a leading company in Steel & Aluminium fabrication, welding, supply and erection projects. We are capable of carrying out all types of steel & aluminium works at any range and any amount in all parts of the Sultanate of Oman. Also, notable are our endeavours in United Arab Emirates and Qatar.

Even though we have only been commercially registered in early 2001, we have been working in this field for the past 40 years, undertaking numerous contracts and executing projects for leading clients like Ministry of Defence, Ministry of Commerce and Industry, Diwan of Royal Court Affairs, Royal Oman Police and many other Private and Government organizations in the Sultanate of Oman. Our primary main contractors have been companies like Teejan, ICC, Al Ansari, Proscap and many others.

Our expertise lies in structural works such as steel warehouse structures, fabrication of pre-engineered building / erection, mechanical erection etc and in non-structural steel works such as railings, cat ladders, fencings etc.

Abu Usra Trading and Cont. Co. LLC is an established bidder in the steel fabrication field, and for its line of products in the Sultanate of Oman. Through the projects we have undertaken so far, our clients and the Main Contractors/Consultants have been extremely satisfied with the quality of products, deliveries and recommended us on all major products due to the credibility we have built up over the years in Sultanate of Oman.

The satisfaction of our Clients and Main Contractors is built upon our continued good performance on Soundness of Design, Product Quality, On time Delivery and Complete Project Execution within time and cost limits.

We hope our brief enumeration here in above along with the attached documents would be sufficient to highlight our qualification to undertake major Structural and Non-Structural Steel Works.
